

ELLERKER

NEIGHBOURHOOD

WATCH

June 2015

Incidents

There have been no recorded incidents in the past three months.

Children Cycling

With the school summer holidays imminent please ensure that children cycling in the village are aware of the dangers and, if possible, wear high visibility clothing and a safety helmet. Despite the efforts of Neighbourhood Watch there is still no speed limit in the village and some vehicles do travel at high speed and seem to be unaware of the fact that children live and play here.

Cold Calling

With the cooperation of the police and East Riding of Yorkshire Council we have introduced our first No Cold Calling Zone at the northern entrance to the village. We will now hopefully extend this to Ring Beck Lane which is the other main road into the village. We will discuss the matter with all affected householders. This project is in response to a number of complaints from residents about the behaviour of certain cold callers and is also intended to help to protect the most vulnerable members of the community against people who may have criminal intentions.

Summer Holidays

With warmer weather hopefully with us please remember not to leave doors and windows open in unsupervised areas. It only takes a few seconds for some opportunist thief to grab something without you noticing and such incidents are more common during the summer. This particularly applies to residents who leave garage doors open.

Burglar Alarms

Please ensure that a trusted neighbour has a key to your home and knows the burglar alarm code. Nothing is more annoying to your neighbours than a malfunctioning alarm continuing to ring day and night.

Your coordinators are

If you are unable to reach them please contact Janet Green on 423601

Please report any incidents to them or to the police on 101
